

PRODUCT RANGE

Aquarium Industries

Quality ornamental fish from one of Australia's most trusted suppliers.

QUALITY & VARIETY

With 3,300 200 litre tanks, and 110 1,000 litre ponds in our purpose built facility, and up to 1,000,000 fish on site at any time, Aquarium Industries has the widest range on offer from any Australian wholesaler.

Whether you require high volume, fast moving lines such as Goldfish or Tetras, rare and unusual Cichlids from around the globe, or quality Marines from safe and trusted sources, we have the fish to meet your needs.

Our buyers travel Australia and the world to bring you the very best, and our buying power ensures that we deliver value as well as range. Many of our fish are bred exclusively for Aquarium Industries by reputable suppliers, providing our clients with the competitive edge that they need in today's busy retail environment.

We receive several new overseas and local shipments every weekday. Aquarium Industries customers benefit from these frequent deliveries, with

sample stock available even during the busiest periods of the year.

SO EASY TO ORDER

Order online for access to new arrivals as soon as they become available, even before they appear in printed price lists. When you order online your stock is instantly reserved for you – so you can be sure that you will receive the stock that you want!

On arrival at your store, labelled and bar-coded bags make it easy to receive your stock, and avoid any confusion about identification.

NEW ARRIVALS

Our range is constantly expanding, and we stock a range of products that complement our live fish range, including Plastic Bags, Frozen Foods and selected Tetra Products.

An exciting new addition to our assortment has been Crickets and Woodies. Attractively packaged in colour coded plastic tubs, our Crickets and Woodies are packed for us in a hygienic environment and delivered fresh daily!
