# Printed materials for you to display

## Marine Fish Compatibility Chart

## NFW

Now available, the companion to our successful Freshwater Fish Compatibility Chart. This chart will generate increased sales, as your customers can purchase a range of marine fish with increased confidence.

#### Goldfish Varieties Poster

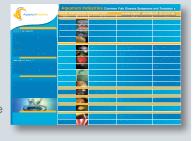

This stunning poster, with images by renowned artist Merlin Cunliffe, and text provided by our We Care team, beautifully displays the wide range of Goldfish which are available. It will help your customers to identify different varieties, and boost your sales of Goldfish.

# Common Fish Diseases, Symptoms and Treatments Chart

# NEW

Your easy guide to the most common fish diseases, how to identify them, and how to treat successfully. Complete with full-color photographs, this chart will ensure that you are able to take any corrective action promptly, and will save you time and money.

# Freshwater Fish Compatibility Chart

Confused about which fish will mix successfully?

This chart takes the mystery out of determining compatible species. A must for staff and customer's alike.

# **Basic Water Quality Chart**

# **NEW**

Everything you need to know to keep ideal water parameters in your tanks, on one simple, easy to use chart. Explanations of what common water quality parameters really are, and your guide to which parameters are best for the fish in your store.

To order, contact Customer Support on 03 9409 9360, or email us at order@aquariumindustries.com.au.

Your Sales Support tools will be sent with your next Aquarium Industries order.
